The Rosamond High School/Jr. High Band is under the direction of Miss Jan King. During the course of the year the Band is kept busy with half time shows, concerts, and parades. This year the band has a very welcome addition. The Band members raised money to purchase a set of tritoms and also to outfit the Drum section with sharp new uniforms. This was necessary for two reasons; To feature our new instrument and most importantly, because the Band has grown so much this year that more uniforms were required to outfit the members! The Band has enjoyed a very sucessful year and is expecting even bigger and better things in the future.

What kinds of training result in 1600 real estate sales a day?

• **TRAINING IN REAL ESTATE LAW.** Your agent must be aware of the constantly changing maze of legal restrictions.

• **TRAINING IN FINANCE.** In today's volatile market, your agent must be able to give you quick and accurate financial guidance.

• **TRAINING IN SHOWING OFF YOUR HOUSE.** Your house is special. Your agent should understand how to show it off to its best advantage.

• **TRAINING IN CLOSING THE SALE.** Selling a house is easy. Keeping it sold is tough. Your agent must be trained in shepherding your transaction through to the final close.

• **TRAINING IN WORKING WITH OTHER AGENTS.** There's a good chance your buyer will come from out of town. Your agent should be trained to work within a referral network so he can "shop" your house around the country.

• **TRAINING IN ADVERTISING.** Television advertising has become a dominant factor in selling real estate. We believe your agent will serve you best if he ties the sale of your home into a \$20,000,000 advertising campaign.

There is only one group of agents with the training to meet all of these requirements. And last year they sold 579,000 homes. If you haven't

guessed by now, we'll give you a hint: they wear gold jackets and go by the name Neighborhood Professionals.

We'll give our word to you.

Memories last a lifetime, and yearbooks are for reliving those cherished memories.

I hope that as you look through your yearbook now-and in the many years to come- you will remember all the happy or even the sad days you spent here at Rosamond High School.

I would like to thank my staff for all the hard work and dedication they put into producing this yearbook. I would also like to thank Mr. Gift for all his help. Most of all a special thanks to Mr. Wyrstek for all the extra time and effort he donated to help us make this yearbook a reality.

I sincerely hope you enjoy this yearbook and that it means as much to you as it does to me.

Remember RHS- now and always.

micah,

It's really been fun knowing you. I think you really have a sweet personality even if you are a little bit shy. Always stay as cute as you are (ok). Maybe next year we can get some classes together. I hope you get everything out of life that you want because you really deserve it. I hope you have a lot of fun over the summer. Lots of love & happiness in the future years to come. Good luck with Gloria.
